Chapter 2 The satanic confederacy of wicked spirits

Page

29, 30 The church of the 20th century

31 The enemy is bent upon the eternal ruin of the human race.

Search the scriptures for knowledge of the enemy's character and how he is able to possess us and use our bodies

32 satan is more than a tempter... description of the adversary.

33 satan is not omnipresent but able to transpose himself with lightning velocity.

36, 37 Description of evil spirits and their characteristics.

38 Evil spirits actions and how they work

39 How familiar evil spirits counterfeit departed relatives ie the dead since they study us all our lives.

40 evil spirits attack and deceive every human being without exception when they find the required conditions fulfilled.

42 satan fighting against satan to achieve or cover a greater scheme to advance his kingdom

44 evil spirits **ceaseless** aim is to deceive every single person

Ignorance about the enemy leads to deception and possession.

Believers of the 20th century, with few exceptions are unable to recognize and deal with the enemy.

Chapter 3 Deception by evil spirits in modern times

Page

48 faithfulness to light and honesty of purpose are not a guarantee of protection from deception.

50 A closed mind is a guarantee of deception

All that is supernatural is not of God

The danger of abandonment to the spiritual

51 misconceptions about the Holy Spirit and praying to the Holy Spirit

53 Counterfeit gifts

54, 55 spirits already present from old may manifest masquerading as spirits of God after the baptism of the Holy Spirit.

Some believers will remain deceived until the end

55, 56 Wrong interpretation of truth (ie opinions) is perilous.

conceptions and “views” of the truth vs real truth

56, 57 God wants us to examine and judge all things

58, 59 Truth is the 1st essential in warfare. Knowledge and truth are victory over satan as a liar and deceiver

Attitudes toward knowledge and safety in neutrality.

60 The safety of neutrality until truth is 100% certain

60,61 Misconceptions about the power of the Blood

63 Praying to the Holy Spirit

64,65,66 10 Misconceptions of truth that can bring about a passive condition.

Surrender of will, reason, judgement and mind. Waiting on God etc.

66 Table of misinterpretations of truth

Chapter 4 Passivity the chief basis of possession

Page

68 Definition of “possession”

69 Every false thought suggested and accepted is grounds.

Every unused faculty invites attempted use of it by evil spirits

Passivity = cessation of the active exercise of the will over spirit, soul and body

70 Passivity is opposite of activity

Loss of free will in the sense of actively willing and choosing to do God’s will

God requires co-operation and our full use of every faculty in us.

71 Persons who are open to passivity.

72 The 3 classes of believers

73 Passivity of the will.

74 God never wills in place of man.

Man is responsible for his choices

75 God only works through the active volition of a man.

Passivity of the mind.

The greater the brain power in a man, the more God can make use of it.

76 Passivity of the imagination, passivity of the mind - feels like a weight or pressure on the head

78 The devil will do anything to engender passivity in the spirit, mind or body.

77,78 Passivity of conscience... ceasing to use reasoning.

80 Passivity of the faculties and consciousness

Worry about the past or future checks/quenches the spirit

As soon as resistance or attitude of resistance stops, passivity quickly sets in “like a stone sinking in water”

82 The cultivation of passivity can be accumulated for years.

83 Multitudes of the children of God are held in bondage while they are ignorant to it.

Truth can be a shock when it is realized.

85 The devil uses truth to launch his lies.

86,87 Misinterpretation of “dying to self” leading to passivity

Teachings from demons (doctrines of demons) can be based on misinterpretation of truth

88 Unconscious channelings and the source of it.

88+89 Suffering used as control

90 Evil spirits try and arouse rebellion towards God by what they do

Abnormal suffering is a chief symptom of possession.

92 As passivity came about gradually, it also ends gradually as it is detected and destroyed.

93 Deliverance from passivity, knowledge and **refusal of ground**

Chapter 5 Deception and possession

Page

- 94,95 Taking hold of our faculties
Dulling the hearing or even shutting our ears. (Hebrews 5:11)
Different types of sin and the effects of it.
- 95 Acceptance of deception and or sin. i.e.: ground given admits demons.
demons then manifest and wrong
interpretation of the manifestation gives more ground for believing
more lies.
- 97 Possession of the outer man in believers
- 97,98,99 Dual streams of power
- 100 satan uses truth to float his lies mixing deception with truth..... 99%
truth and 1% lies.
- 101 Free will. Grounds by consent... knowingly or unknowingly.
- 102 **Table of diagnosis ...how they deceive, ground given, symptoms,
excuses and effects.**
- 104 God will *not* control us like a machine or automaton.
- 105 Counterfeits of satan including satan counterfeiting himself.
- 106,107 satan working on our senses
- 110 Ground cannot be cast out and casting out is not the only form or way
to deliverance.
- 111 Deliverance from deception comes from being undeceived
Casting out demons that gained entrance through deception only
gives temporary relief with the evil spirits returning quickly to the house.
Deliverance by un-deception vs casting out. ...truth dispels deception.
- 112 Deliverance requires active exercise of the will to nullify previous
consent.
- 115 We open doors to the enemy during the everyday ordinary
circumstances of life.
Counterfeit deliverance.
- 117 The enemy will do anything and everything to engender passivity in
us.
- 118 Spiritual growth is hindered or checked by the dulling of our faculties.
- 122 "Divine substitution" of God's Will for our will turns out to be satanic
substitution. 123 Possible effects of the crash and fall after being
undeceived

Chapter 6 Counterfeits of the Devine

Page

124 satan's first big effort in attempting to gain control is getting us to accept suggestions as coming from God

(Also, as being from ourselves)

129 False guidance e.g.: giving up one's occupation to serve the Lord. The devil will use such false guidance to break up families.

131 When they are inside, they can make it appear as though they are outside in influence and action.

Suggestions given from without to gain entrance.

131,132 Acceleration of the heartbeat.

132 They study us and measure their workings to suit us.

They study us well.

133 Confession of sin, false sin, confession because of compulsion.

134 Attack of disease

135,136 False guidance from evil spirits.

137 Ministering angels.

138 Intervention of Angels or voices from the spirit realm supposedly from God are more than likely counterfeits.

The Holy Spirit alone is charged to communicate the Will of God to the believer and He does so from within the spirit of man enlightening the understanding.

138,139,140 Recognizing the voice of the devil and the source of texts / scripture

140 evil spirits adapt their suggestions to every believer according to the believer's knowledge of scripture and other knowledge (i.e.: by experience)

141 Compulsion.

142 Obedience to evil spirits even in trivial matters, deepens their hold by giving more ground. They work inside the range of the believer's passive obedience to the evil spirits will so as not to awaking the power of reasoning in the believer. Passive, unreasoning obedience strengthens evil spirits' hold.

143 Control by spirits

144 Counterfeit gifts, healings etc.

Counterfeit personation of others and even of the believers themselves.

145 Counterfeit love/craving for love.

146,147 Counterfeit sin.

Anything accepted from evil spirits gives them entry and power.

148 satan counterfeits satan fighting to cover deeper schemes and gain greater possession

Fear of satan and exaggerated impressions of him.

Fallacy of knowing God as being protection from the enemy.

149 The aim of evil spirits is to displace the Word of God as the rock-ground of life.

150 Familiar spirits impersonating the dead. Impersonating the Lord Jesus (another Jesus)

151 Safety in tenacious faith in the Word of God.

152 The distinguishing of dreams.

153 Guarding our nights with prayer.

Chapter 7 Ground and symptoms of possession

Page

154 Evil spirits communication with us without grounds vs possession

155 1000s of thoughts are suggested to us.

Giving in to suggestions is #1 on the list to ways of giving them ground.

The chief faculty open to the access of evil spirits is the mind.

Bringing thoughts captive.

156 Discerning thoughts and the origins of them by how they enter the mind.

Thoughts lodged unconsciously in the mind, even from years ago, can become ground later on

Some of the enemies' workings are so subtle and "ordinary" that they go unrecognized

i.e.: just simple inserted thoughts or suggestions.

157 Symptoms of interference of the mind.... Loss of thought or memory

158 Attacks on the spirit

159 Evil spirits rejoice over their deeds

162 Where they enter and where they are located

164 How they affect the body.

How they affect the vocal chords

165 Many believers are unable to control gossip, slander or irresponsible talking because of evil spirits.

167,168 Interference with the eyes

169 Times while listening when different words or even sentences are not heard at all.

Different degrees of interference.

173 Interference with functioning of the body of all sorts.

173,174 Manipulation and loss of control of the body.

Being either unaware or irresponsible or both for one's actions

175 Excuses suggested to cover both ground and location.

176 Wrong interpretation of a manifestation is ground given by further acceptance of deception.

The need to examine all suggestions.

Evil spirits will keep the believer occupied to keep them from realizing the need for deliverance.

Chapter 8 The path to freedom

Page

180 Ground cannot be cast out.

181 There is no deliverance from deception except by acceptance of the truth.

Acceptance of having been deceived is difficult and a hard blow.

182 Ignorance, falsehoods and passivity are what the devil uses to build strongholds but they are destroyed by truth.

184 Steps of the path to freedom.

185 Column **list of the stages of deliverance and dispossession**

190 Persistent, steady refusal of ground.

Praying for light on causes of deception.

191 Fighting through - a fight for the use of free will.

193 Refusal of all ground. Refusal of the workings of evil spirits

194 **Table of proclamations of refusal against evil spirits**

197 The importance of refusal.

198 The affecting of the memory.

199 Take notice thoughts and how they enter.

Summary of steps to deliverance

- Overcoming passivity.
- 199 Hindrances
 - 200 Excuses to try and stop deliverance.
 - 201 The true location of deceiving spirits is usually opposite of where it appears to be.
 - 202 Excuses
 - 203 Attitude towards the past. No regrets
 - 204 Steady action or use of the will.
 - 205 Active cooperation with the Holy Spirit and steady exercise of the volition choosing freedom instead of bondage.
 - 206 Removal of ground by the intelligent choice of refusal.

Chapter 9 The volition and spirit of man

Page

- 207 The Holy Spirit works through, in and with the active co-operation of the will of the believer.
- 209,210 The natural man vs the Spiritual man.
- 210 Declaring the attitude of choice with decisive action in both negative and positive positions.
(proclamations)
- 212 The liberation of the will takes place when the believer sees his right of choice and deliberately places his will on God's side.
Declaring the choice to do God's will has an effect in the unseen world even if we can't distinguish which is which.
- 213 From the spirit comes the power to fulfill the choice of the will.
The mind sees it, the will chooses it and from the man's spirit comes the power to fulfill the will
- 214 Through ignorance, it is possible to withdraw the spirit from co-operation with the Holy Spirit and walk after the soul or after the flesh unwittingly.
- 215 How believers ignore their own human spirit.

215,216 When believers think that the indwelling of the Holy Spirit means every movement to be of

Him, they are especially open to counterfeits because discrimination and reasoning isn't being used.

217 The spiritual believer is open to the two forces in the spiritual realm. In believing that only the Holy Spirit

can influence him in the spiritual sphere, he is sure to be misled.

218 Reading our spirit and knowing when we are being "touched by the poison of evil spirits"

219 In coming to a decision, the deciding is an act of mind and will based upon the mental process of reasoning or sense of the spirit or both.

220 In true guidance, spirit and mind are of one accord.

ALL true guidance is in harmony with the Scriptures

221,222 The counterfeit of the human spirit.

223 Descriptions of the spirit

Chapter 10 Victory in conflict

Page

224 There are various degrees of deception, possession, temptation and victory.

227 Perpetual choice between good and evil.

The need of learning to discern what is of God and what is of the devil.

228,229 Temptation both visible and hidden.

Prayer to uncover hidden temptation.

230 evil spirits counterfeiting the old nature... in evil desires, thoughts, words and presentations.

Accusation can be a counterfeit of conviction.

231 Fake guilt becomes real.

Refuse all **compulsion** to confess sin to others

232 Feeling wrong versus being wrong. Don't be guided by "feelings"

234 Vigorous unflinching warfare against sin against both the fallen nature and from tempting of evil spirits.

235 The devil as an accuser working indirectly through others.

The enemy using truth with the objective of getting the believer involved in evil.

236 Victory through truth. The devil persistently pours lies on us all day

long.

List of type of lies.

99 parts truths to float one single lie.

237 Neutrality over ALL supernatural workings until we know the truth of what is from God

Knowing truth allows us to recognize lies.

238 Is it God or is it satan?

239 satan will not propose anything for God's Glory **unless** he has a greater goal or scheme.

Believers should resist death as an enemy. (prayer is the weapon)

242 Are the attacks from outside or from within?

Always refuse ground in any case.

The value of refusal of ground.... refusal is the opposite of acceptance.

The last words spoken alters, ratifies or nullifies the previous ones.

243 The choice of the will gives.... the choice of the will withdraws or nullifies the previous giving.

Growth in experimental knowledge means increased protection against the deceiving enemy.

We are protected up to the extent of our knowledge.

244,245 Refusal of ground.

246 An excellent proclamation

247 The fight must be permanent and part of our very lives.

The strong weapon of victory in declaring deliberately, our basic position toward sin and satan as standing on the calvary ground of Romans 6:6-11

250 The necessity of warfare prayer.

Action vs attitude ie: action of the spirit vs attitude mainly of the will.

252 Some can be drawn from the spiritual sphere to intellectual things and be driven to over study.

Objective vs wile or method vs temptation.

253 The armor of God. The armored believer vs the un-armored believer.

Chapter 11 War upon the powers of darkness

Page

255 The need of a perpetual daily fight.

257 A description of evil spirits.

258 All hell is united against man.

If you conquer one, you are conquering all.

260, 261 Clinging to known sin.

262 The degree of knowledge determines the degree of discernment, resistance and authority in wielding

the Name of Christ.... whether in casting out evil spirits or dispersing them by the light of the truth.

Knowledge affects faith

263 Knowledge in use of the will in resistance to the enemy.

The importance in understanding the workings of the enemy for effective prayer against them.

266 Learn to observe and learn by observation.

Guard your domain with prayer. Make sure your defences are secure before you start the offence.

267 The enemy uses other believers against you.

268, 269 Prayers. Openness, desire and hunger for truth.

How evil spirits will cause believers to resist the truth.

269 Remember to view the evil workings in others as in them but not of them.

Blame the demons! Not the person.

270 A believer who desires freedom should thankfully receive all truth that exposes the enemy.

271, 272 Fasting. Mastery over soul and body gives strength to the spirit.

273 The chief factor in casting or commanding out evil spirits is Faith in the power of the Name of Jesus. Any doubt renders the commanding fruitless.

274, 275 The gift of discernment.

278 Hindrance to deliverance through ignorance when believers side with evil spirits believing suggestions and excuses even when the believer sincerely desires freedom.

Page

281 Few are not deceived by the enemy to some degree.

Those who cling to the use of their faculties and reasoning are less likely to become victim to the adversary's subtle wiles.

282 The adversary nets his victims by mixing his workings with the workings of God.

283 Revival hour is the occasion for evil spirits to possess and revival ceases because of such possession.

Even the most spiritual believers may become deceived and possessed in their outer being through acceptance of counterfeits of God

284 Failure as the result of revival without war on satan's kingdom.

285 Pure revival Devine power in full operation minus sin and satan.

Pure revival is life, not cold belief. Spirit... not intellect.

"Pressure of the enemy in the atmosphere"

286 How and what to pray for revival

Pray for light to reach those who have been ensnared into bondage.

287 There are no physical manifestations of the Baptism of the Holy Spirit.

The Holy Spirit doesn't stop a man's full intelligent action of the mind or make him irresponsible of his actions.

290 Revival being stopped at the beginning.

292 Counterfeit holy spirit following the true Holy Spirit is marked by separation and division on even trivial, non-essential matters.

292,293 Conditions for the reception of the Holy Spirit.

294 Giving ground in the physical frame to evil spirits at the time of the influx of the Holy Spirit through ignorance or misconceptions.

Hindrance from pressing on in the spirit by others who are not in the same stage of spiritual life.

295 Obstacles to the baptism of the Holy Spirit.

296 The importance of losing every degree of an unforgiving spirit.

297 Looking for some special mark or sign as evidence of the Baptism of the Holy Spirit gives evil spirits the occasion to provide a counterfeit.

Speaking in tongues.

298 If one evil spirit can be rendered powerless by prayer, then ALL can be conquered.

299 Why God permits satan's attacks

Wrong conceptions of Devine things are destroyed by experience.

300 Satan's victims made victors.

302 Not one living member of the Risen Head can escape attack if he is a true "joint" in the Body.

We are changed by the light of truth.

The hierarchy of satanic power might delay their judgement for a season but God's purposes will ultimately come to pass.
